ABOUT

Graphic Designer with 3 years of experience in creating visually stunning designs, seeking to transition into UI/UX Design. Skilled in creative problem-solving, collaboration, and user-centred design methodologies. Proficient in leveraging design expertise to craft intuitive and engaging digital experiences.

EXPERIENCE

UI UX Designer Intern, *Acodez IT Solutions, Calicut*   2025 – Present
As a UI/UX Designer Intern at Acodez IT Solutions, I create user-centered designs by conducting research and usability testing while collaborating with teams to develop wireframes and prototypes that align with brand guidelines and best practices in accessibility.

Graphic Designer, *Stuid Learning App, Calicut*   2022 – 2023
Worked as a Graphic Designer at Stud Learning App, an innovative online education platform, where I designed engaging visual content to enhance the learning experience for students. Utilized creative problem-solving skills to develop intuitive and interactive designs, collaborating with cross-functional teams to drive educational excellence.

Graphic Designer, *Uplittle Design, Calicut*   2021 – 2022
Worked as a Graphic Designer at Uplittle Design, creating visually stunning designs that drove brand recognition and customer engagement. Utilized design software expertise to deliver high-quality visual content and innovative design solutions.

EDUCATION

Diploma in UI UX, *Aviv Digital, Calicut*   2024 – 2025
At Aviv Digital, actively participated in design workshops and collaborative projects focused on UI/UX design, fostering innovative solutions, effective teamwork, and user-centered design principles.

BMMC, *MBL Media School, Calicut*   2014 – 2017
Pursued a degree in Multimedia Communication from MBL Media School, acquiring a solid foundation in multimedia principles, visual storytelling. Developed skills in communication strategies and multimedia design.
